

Minutes of Meeting

Master of Computer Science

Date: April 15, 2025, Tuesday.
Time: 2:00pm to 3:00pm.
Location: University of Adelaide SET NT Ingkarni Wardli 5.55.
Supervisor(s): Prof Hussain Ahmad.
Students Name: Subin Pulliyil Santhosh.

1. Agenda

- Discuss implementation of Grok 3 in healthcare tasks.
 - Discuss evaluation of Grok 3 models.
 - Plan the development of taxonomy.
-

2. Discussion

Item 1: Grok 3 Implementation.

Discussion Summary:

Talked about how Grok 3 can be implemented in healthcare tasks and also its use cases.

Action Items:

- **Subin:** Research healthcare tasks where Grok 3 can be applied.
- **Prof Hussain Ahmad:** Provide feedback on selected tasks.

Item 2: Grok 3 Evaluation.

Discussion Summary:

Discussed how Grok 3 models have been evaluated using methodology and datasets. Also discussed how to create taxonomy.

Action Items:

- **Subin:** Search for evaluation methods, datasets and metrics.
- **Prof Hussain Ahmad:** Provide additional evaluation approaches if needed.

3. Progress Update

Update 1: Finalised the project domain: **Healthcare**.

Update 2: Started to search for related research papers for healthcare.

4. Feedback from Supervisor

- To look for more research papers in healthcare.

5. Next Steps

Actions to be completed before the next meeting:

- Develop a taxonomy for Grok 3 in healthcare.

Next Meeting:

Date and Time:

April 28, 2025, Monday from 3:00pm to 4:00pm

Location:

Ingkarni Wardli Building SET NT 5.55
